*'Information, Communication and Counseling Cell'* of Dhakuakhana College has organized a counseling session for the Higher Secondary 2<sup>nd</sup> Year (Science) students on 10/08/2016 in the Digital Class Room of the College. The session has been conducted with an objective of providing information of carrier oriented opportunities after passing out the Higher Secondary (+2) Course. Dr. Jugananda Sut, honourable principal of the College has put the inspiration in planning the session. Dr. Anjan Borgohain, convenor of the cell has initiated the session and Mr. Birender Pal, librarian of the College has acted as the Resource Person. Carrier opportunities in the fields of General Degree courses, advanced courses like Medical, Engineering, Biotechnology, Forensic Science, Microbiology, Agriculture, Integrated 5 Years programmes etc. have been covered in the session. About 100 students have participated in the session which has gathered a huge response from the students' community.
